

Cheeky Orange

Garvinea. CHEEKY SERIES

The Garvinea® Cheeky Series is completely new in the Garvinea® Garden Gerbera Assortment. Garvinea® Cheeky has a compact crop and shows its cheeky mini flowers from Spring until Frost. The mini-flowered series consists of four strong colours; Magenta, Orange, Red and Yellow. The strong Garvinea® genetics form the basis of this uniform plant.

Don't be misled by the cuteness, because the Cheeky Series produces the highest flower count of all the Garvinea® Series.
